

October 2021 Newsletter

October 16th was an adventurous morning weather-wise with rain locally and severe storms across the region. Yet so many wonderful people came to North Park to participate in the 1st ever North Ridge Nightmare Trail Race. THANK YOU so very much to all who came to support this event! We hope you enjoyed yourself as much as we did putting on this race. We are already looking forward to the 2022 race.

Results can still be found online [here](#), and race photos are available [here](#). Nearly all awards have been presented to qualifying participants. If you have not received yours, please reach out to us and we will do our best to get it to you.

The proceeds from this event will go to funding Allegheny County Parks trail projects. We are currently working with Allegheny County to determine the ideal project(s) to meet their most urgent needs. We will announce details on our Facebook page once they are finalized.

THANK YOU again for your support. We hope to see you next year at this race or any of our additional events.

To help us make our 2022 race even better, please fill out our two-minute, [two-question survey here](#).

We would like to give one more shout out to our wonderful sponsors:
