

Email communication sent to all registered participants on Friday, September 27, at 11:00 a.m. EST

Dear participants,

Tomorrow is The Green Mile Loop Challenge! It's going to be fun!

1. If you cannot attend, please reply to this email and let us know.
2. **This is a free event! We will be accepting cash donations as well as online donations. With a \$20 donation**, you may pick out a newly designed, badass NPTR shirt. (Various sizes and styles available, quantities limited) **With a \$10 donation**, you get a magnet! (Also newly designed & badass!)
3. The event starts at **8:00 a.m.** and lasts until **2:00 p.m.** Do not feel obligated to start at exactly 8:00 a.m. Feel free to join us at any point within that window of time!
4. Please be mindful that there is not a ton of space in the parking lot. Follow the instructions of our volunteer parking attendants.
5. Upon arriving at Roosevelt Pavilion, look for the bright, orange sign that says "**You Must Sign In / Out here** ." When you sign in, you'll be greeted warmly and you'll get some instructions.
6. The water pump at the pavilion is now working!
7. There are bathrooms (real ones) in addition to the port-a-jons.

Different From Last Year...

1. Separate from the above-mentioned sign-in process, we'll have scoreboards with each participant's name listed. It will be up to each participant to put a tick mark next to their name upon completion of a loop. The "new" part of this process: **when you complete your LAST loop** and make your final "tick mark" — **write down the time on the race clock next to your tick mark**. Yes, there'll be a digital race clock. If we have a tie for top looper, the time stamp will come into play. Person who completes the most loops in the shortest amount of time will win.
2. The course direction is reversed. Opposite from last year.
3. The course also includes two new segments of Green/White. (The wooden bridge and the gravestone) Orange flags will signify the course changes.
4. One raffle prize per person. (You cannot win twice)
